Dear Sir:

I, Jean Wolslegel, do hereby state and declare as follows:

1. I am the Reports Coordinator at the Lawrence Berkeley National Laboratory Library.
2. I declare that the library records indicate that for the paper designated LBNL 46553 ("A multilayer approach to fabricate bioactive glass coatings on Ti alloys", J.M. Gomez-Vega et al.) the date December 1, 1998 actually indicates the date that the paper was completed by the authors. The library records indicate the earliest possible date the library first made the paper available to the public online is October 9, 2001.

I acknowledge that I have been warned that willful false statements and the like are punishable by fine or imprisonment, or both (18 USC 1001) and may jeopardize the validity of the application or any patent issuing thereon. All statements made with my own knowledge are true, and all statements made on information and belief are believed to be true.

Respectfully submitted,

Dated: 12/4/09
